

The Clovis Leadership Program is targeted to people who wish to be, or have been involved in community service. Interns should have aspirations to better their personal and business skills, and become more involved in their community.

Interns will be selected from those candidates interested in the program, representing a variety of personal and professional backgrounds.

The Interns must be:

- **Available** to attend all scheduled meetings,
- **Supported** by their employer,
- **Committed** to completing the pre-assigned work and readings,
- **Engage** in addressing a local community issue determined by the class.

Tuition per Intern for the program is currently \$750 or \$600 for Members of the Clovis Chamber of Commerce, subject to change. This includes seminars, resource materials, transportation for the field trip, and Confirmation (at completion of first year) and Graduation (at completion of second year), both at annual Clovis Leadership Day in May of each year.

Please complete the Letter of Commitment below and return to the Clovis Chamber of Commerce. If you have questions, call Ed Flores at 681-4447.

Sincerely,
